WINTER MEMBERSHIP MEETING

TUESDAY, FEBRUARY 9, 2010

Cook Campus Student Center, Rm. 202
Rutgers University, New Brunswick, NJ

Come and learn about the newly enacted
NJ TREE EXPERT AND TREE CARE
OPERATORS LICENSURE ACT

Featured Presentation from our Sponsor:
Gary Galati, President, V.A.G., Inc.

"Fuel Marketing & Management"
"Royal Purple High-Performance Lubricants"

Learn how a "Condition Based Maintenance" (CBM) program can provide significant savings to your operation. CBM allows you to maximize the efficiency of your fluids, increasing the service cycle and thereby reducing equipment downtime and labor costs. You'll also experience lower emissions and increased fuel economy, while protecting your equipment to run smoother and last longer.

Dinner meeting and presentations will begin promptly at 6:00 pm

All members are invited to attend, to enjoy the food and fellowship, and to take advantage of both of these educational opportunities for the professional advancement of yourself, your business, and the NJ arboriculture industry

Please send your RSVP on or before Feb. 5 to the NJAISA office (fax 732-574-9111 or email trees4nj@aol.com) so that we may plan accordingly.
